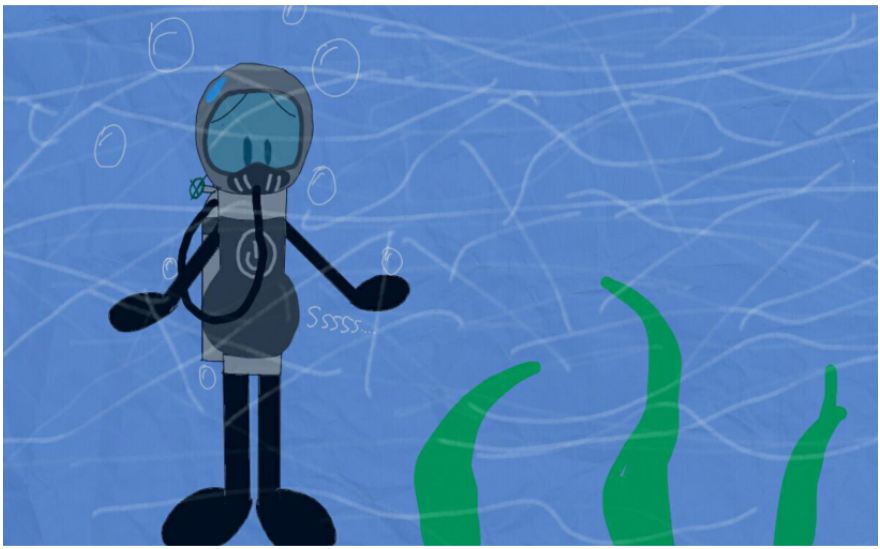
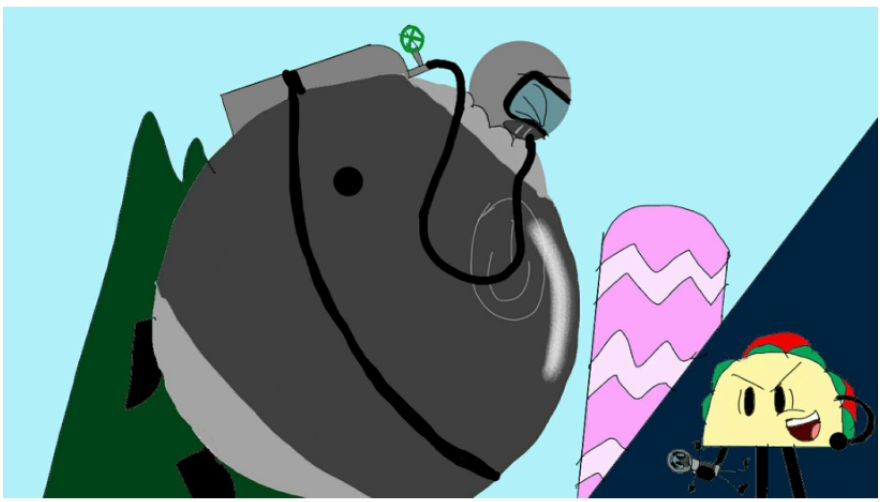
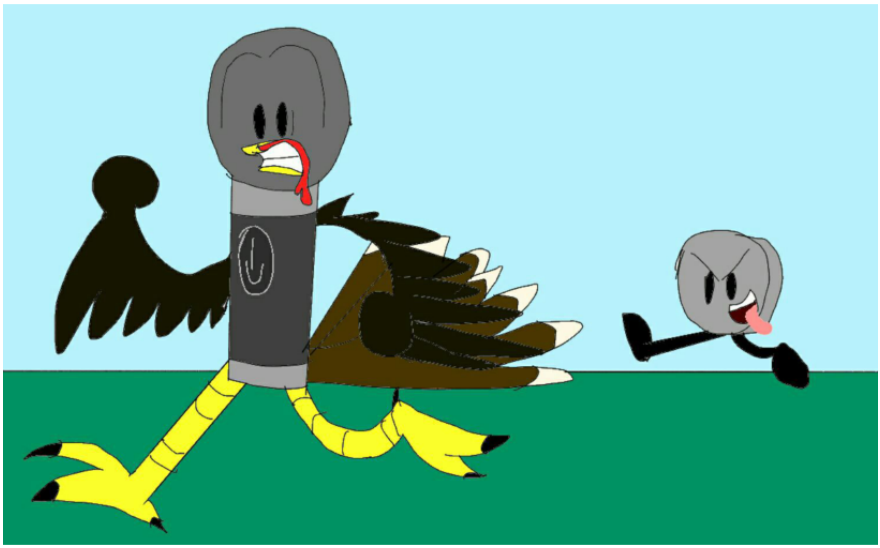
Another Inflation



In Episode 11... Mic was trying to find the sea shells underwater by herself, until she felt her stomach inflating, Mic screamed for help, But Nobody heard her, Her Oxygen tank was Malfunctioned, Someone used its Voodoo doll of an tank to Possess it, Causing microphone to Inflate, As She kept getting huge, She Started Floating in the air, It was Taco, She Already Knows that Microphone hates Water, But Not that much, She was Trying to make her Lose.



A Not-so Happy Thanksgiving



She Turned into a Turkey And nickel is trying to cook her and eat Mic

My BFF is a Werewolf Part 1
